# PREVENTIVE MEDICINE IN THE SPOTLIGHT

The **GESUNDHEITSCAMPUS** is a part of therapie LEIPZIG and brings together professionals working in health prevention and exercise rehabilitation. This new platform is designed to promote knowledge sharing amongst health & fitness providers throughout Germany. It also offers further education as well as opportunities to exchange information on the use of exercise in health prevention and discuss medical rehabilitation.

## REACH ADDITIONAL TARGET GROUPS

- Health club managers, trainers and coaches
- Exercise rehabilitation providers
- Owners and managers of fitness studios
- Personal trainers, private health coaches

Register now  
and play an  
active role!

therapie LEIPZIG is the leading trade fair and congress for therapy, medical rehabilitation and prevention in German-speaking countries with more than 350 exhibitors and 200 seminars, workshops and specialist lectures.
