ALL-IN-ONE PACKAGE

THE EASY WAY TO MAKE A GREAT TRADE FAIR APPEARANCE!

therapie LEIPZIG is the leading trade fair and congress for therapy, medical rehabilitation and preventive healthcare in the German-speaking world – the perfect place to showcase your company in a targeted and effective manner.

With our all-in-one package, taking part is really simple: compact, professionally designed exhibition stands allow you to create an efficient and clearly focused display – ideal for companies looking to make the biggest impact with minimal effort.

Let us take care of the organisation – you can focus entirely on your customers, meetings and new business opportunities.

Showcase your business in an attractive setting, boost your visibility and reach your target audience directly, without wasting your budget on diffusion losses.

Compact. Efficient. Successful.
